

# HAVE YOU MET OUR ADOPTABLES?

These sweet faces are all waiting for their ideal, loving forever home. Are you the perfect fit? Visit [ANIMALFRIENDSOFLANSDOWNE.ORG/OUR-ADOPTABLES](http://ANIMALFRIENDSOFLANSDOWNE.ORG/OUR-ADOPTABLES) to learn more about each of them and complete an application today!

## REMINDER

We are always in desperate need of foster homes. There are even more animals who find themselves outside just waiting for a safe place to land. A spare room and your tender, loving care are all that is required to foster a homeless animal until a forever home can be found. Visit [ANIMALFRIENDSOFLANSDOWNE.ORG/FOSTER](http://ANIMALFRIENDSOFLANSDOWNE.ORG/FOSTER) to learn more.

## FROM THE PRESIDENT

### Looking back and our path forward...

In 2005, Animal Friends of Lansdowne began. It's surreal to think of all we've accomplished since then. We started as a small band of passionate citizens, focused on the responsible management of companion animals in our community.

15 years later, our mission is still to make Lansdowne a safe haven for people and animals to live in harmony. We rescue, provide veterinary care and spay/neuter, foster and adopt to loving homes, and do trap-neuter-return with community cats.

While we've achieved so much, our work is far from over, and there are many new challenges. With you by our side, we look forward to impacting the lives of animals in need for the next 15 years.

Thank you for your kindness to the animals. We're all in this together.  
*Fran Wayne*

## MEDICAL FUND SPOTLIGHT

### An update on sweet Julius...

You might have heard about Julius. After life on the street as a cared for community cat, this poor boy revealed to have his entire back half covered with open sores. Left living outside, his dermatitis would ultimately cause him to die a slow, painful death from sepsis.

Luckily, Julius has the AFL village which has already stepped up quite a bit. That support, along with a kind foster and excellent vet care, will save his life.

The cause of sweet Julius' severe dermatitis is idiopathic, so his tests and treatments are ongoing. We remain hopeful for a solution and are working with our vets to find one. As we continue to care for Julius, we see the vet bills snowballing. Our medical fund is set up for these extraordinary circumstances. We have many. Getting Julius healthy is incredibly important to us, but we also want to be sure that no future animal will be turned away because of the additional costs his care incurs. You can learn more about Julius and the Medical Fund by visiting:

## HIGHLIGHTS FROM 2019 AND 2020

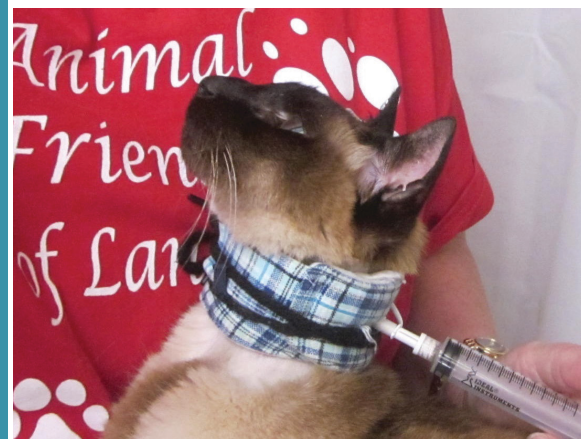

### ANNUAL YARD SALE May 2019

Our annual yard sale is generally a great success! We're sad to have to postpone this year's indefinitely due to the Coronavirus pandemic.

### MEDICAL FUND: WRIGLEY June 2019

Wrigley was found emaciated and terrified. With the help of our village, tube feeding and vet care, this sweet boy's life was changed!

### UAA JULY 4TH PARADE July 2019

We were honored to serve as grand marshalls of the 2019 July 4th parade. It was such a fun day for all involved!

### DOG DAY AT THE LANSDOWNE FARMERS MARKET September 2020

Our annual Dog Day at the Lansdowne Farmer's Market is always a good time, raises awareness, adoptions, and funds.

### LOVE YOUR PETS MONTH February 2020

An afternoon at the Lansdowne Public Library learning about guide dogs with long-time Lansdowne residents Dan Simpson and Boone.
